Dear Dr. Li:

We are pleased to inform you that your manuscript is about to be accepted for publication in the Journal of Agricultural and Food Chemistry. Before we can proceed with the final decision, we kindly ask you to make the following:

- Name of one of the co-authors has been transposed in the manuscript file and in the ACS Publishing Center, and authors order changed in R1 version. Please provide authorship change form
- While processing your manuscript we noted a change in your authorship list (different order of the authors). Please note that any change in authorship after initial submission requires the approval of all authors, including those being added or removed. In order to confirm agreement with this authorship change, please gather the signatures of all authors (including those added or removed) using the Authorship Change Form found here: https://pubsapp.acs.org/paragonplus/submission/form_author_change.pdf
